Dear Parents & Students, welcome to pastel classes! I'm looking forward to another colorful and creative year with you! **Make-up Reminder**-Each student is entitled to 1 free make-up class per 8-week session. Additional make-up classes are \$18.00 each and are scheduled according to space availability in other classes. Please call to schedule a make-up. Limited **private lessons** are available on Tuesdays @ \$35.00 an hour. **VIP Parking Reminder**-Enter the 2nd entryway of the circle driveway and pull all the way around to the straight driveway so as to not block traffic. If you would like to come in and check on your child's progress, you are always welcome-however pull all the way up to my studio in the straight driveway. Never leave your car unattended in the circle driveway & **never park across the street!**

To contact me during class in case of emergency: I typically do not answer my phone during class time. Should you need to contact me however, please let the phone ring twice, hang up and call right back.
